The region's official transportation planning agency, Southwestern Pennsylvania Commission (SPC), is offering a unique opportunity for local project sponsors looking to obtain transportation funding from federal or state resources. If you are considering applying to any programs in the future, these workshops will introduce you to funding programs and the regulatory requirements sponsors must meet to use federal or state transportation funds.

The workshops will also address the requirements of the PennDOT Connects initiative for sponsors interested in applying to the Transportation Alternatives Set-Aside Program.

### WORKSHOP TOPICS INCLUDE:

- Project Sponsor Responsibilities
- Project Application Elements: Scope, Schedule, and Budget
- Tips for Navigating a Competitive Funding Environment
- State and Federal Program Application Periods; Procedures; Local Match Requirements; Sponsor Eligibility; and Project Eligibility
